## Privacy Policy

Version 1.0, November 22, 2018

<b>Name of the service</b>	Einfracentral catalogue of services, <a href="http://www.einfraCentral.eu">www.einfraCentral.eu</a>
<b>Description of the service</b>	The Einfracentral catalogue of services (abbr. Catalogue) offers registration, cataloguing, search and access to standardized e-service descriptions provided by Service providers, such European e-infrastructures, research projects and enterprises.
<b>Data controller and a contact person</b>	European Future Innovation System Centre, Alasdair Reid - Project Coordinator of eInfraCentral EU Project, <a href="mailto:contact@eInfraCentral.eu">contact@eInfraCentral.eu</a>
<b>Jurisdiction</b>	BE-BRU Belgium Brussels
<b>Personal data processed</b>	<p>A. External Identity Provider Institution information</p> <p>For authentication to the Catalogue we use the AAI service of the <a href="#">European Open science Cloud portal</a>, which integrates various academic and social Identity providers (IDP). During login, we may request from your home institution or another identity provider of your choice:</p> <ul style="list-style-type: none"><li>- Given Name</li><li>- Family Name</li><li>- Email</li></ul> <p>For all users authenticated in the catalogue <b><i>we do not store the above information</i></b>, except for users representing a service provider organization, for whom we keep the data for authorization purposes.</p> <p>B. Identifiers</p> <p>Identifiers, as provided by identity providers like e.g. a Home Institution or Identifiers from third parties, for example an ORCID</p> <p>C. Following data may be gathered from yourself in case you represent an organization which acts as a service provider for the Catalogue:</p> <ul style="list-style-type: none"><li>- Service provider you represent</li></ul> <p>All of the above information is provided by you on a voluntary basis, or in case of the information from your institution upon your choice. You may choose not to provide certain information, but this may mean you cannot</p>

	<p>access the EOSC Portal or personalized features of the catalogue such as rating, favorite services and service provider dashboards.</p> <p>Additionally, during your activity on the Catalogue we keep functional cookies along with technical logs consisting of the following data:</p> <ul style="list-style-type: none"> <li>- Your actions (e.g., page visits, update of content) on the platform along with timestamps</li> <li>- Your IP address is recorded via the free edition of <a href="#">Matomo</a>, deployed in a local machine. IP addresses are pseudonymized, i.e., only country identifiers are kept for IPs.</li> <li>- The Identity Provider you used.</li> </ul>
<b>Purpose of the processing of personal data</b>	<p>Processing of personal data serves purposes of:</p> <ul style="list-style-type: none"> <li>• Offering personalized functionality to all authenticated users, such as rating and favorites features.</li> <li>• Enabling the creation and update of content in the catalogue. Log files keep all actions performed by service provider users in the content for security and data integrity reasons.</li> <li>• Collecting anonymous usage statistics in the platform.</li> </ul>
<b>Third parties to whom personal data is disclosed</b>	<p>No personal data is shared with third parties.</p>
<b>How to access, rectify and delete the personal data</b>	<p><b>Please contact the contact person above by email.</b></p> <p>To rectify the data released by your Home Organisation, contact your Home Organisation's IT helpdesk.</p>
<b>Data retention</b>	<p>Personal data is removed on request of the user or if the user hasn't used the service for at least three years.</p>
<b>Data Protection Code of Conduct</b>	<p>Your personal data will be protected according to the <a href="#">Code of Conduct for Service Providers</a>, a common standard for the research and higher education sector to protect your privacy.</p>
